

## **JOIN US FOR A Mastermind Group**

A Mastermind Group brings together a small group of people who are motivated to take their business to the next level. The desired outcome of the 6-week study is to increase your awareness and understanding of how to work ON your business to help it grow in a productive, successful way.

The group meets an hour a week once a week for 6 weeks, using the book “The Emyth Revisited” by Michael Gerber as the basis for our discussions. The group is limited to 10 people so we all have a chance to participate and interact with each other extensively. Pinnacle will provide you with a complimentary copy of the book. In advance of each meeting you will receive that week’s curriculum and other materials.
